

## Unstructured Education Form

Please provide information or a rationale that will address the following questions around correspondence, part-time, web-based and distance education:

- a) availability and accessibility of other training institutions and more effective training methods;

---

---

---

- b) industry recognition of certification and training provider;

---

---

---

- c) ability and motivation of participant to work independently; and

---

---

---

- d) the reason why the applicant cannot maintain their ability to seek work while participating in this type of training.

---

---

---

The correspondence, part-time, web-based and distance education training must take place in a structured and interactive environment where benchmarks and timelines are present to measure progress and completion.
